SELF EXPRESSION  
SELF EXPRESSION

The background features a soft-focus scene of a light-colored chair with a textured fabric backrest. The chair is positioned in front of a window, with bright light streaming in from the right, creating a warm, airy atmosphere. Several large, semi-transparent pink and white cherry blossom petals are scattered across the image, some overlapping the chair and others floating in the air. The word "spring" is written in a classic, black serif font, centered in the upper right portion of the frame.
