Spaghetti

by LLE
SSERAFIM

Le Sserafim's 'Spaghetti' is a super fun single album with an awesome design. Typography wise I absolutely adore the S in spaghetti

looping like an actual noodle. The color use for this version is great, with bright reds and muted greens resembling their member Eunhae and tomatoes.

THIS IS THE SWEET SPOT - HEAT UP THE SCENE, IT'S THAT BIG SHOT
CHEF'S CHOICE. 널 위한 리아아. YOU LOST IN THE SAUCE, NO TURNIN'
BACK. 더 취할 거야 밤새. 기울어 질로. 난 빈 잔은 받고, 어떤 편은 갈라. 좋은
게 좋은 거지 좋다는 게, 왜 뭐? 느껴봐 아서, 꺾지 말고, 벌떡 SNAP IT UP LIKE
A GETTY. 내 감지 포즈는 여전히 PRICELESS. WHATEVER I'M COOKIN', 또
스타같이. 어떤 코스든 원하면 알아주는 해키. 내가 네 취향 드러마 주인공이고. 또
드 맥이고, 고릴라의 HERSHEY 초코. 모든 주대를 물리는 타로, 넌 음미해 니로.

Aespa Album Lyric Page

This page in an aespa album zine is super creatively done lay-out wise. All the lyrics fit perfectly in these large boxes, and they're very readable and clear, while still making space for the image in the back.
